

Hearts of Horse Haven

Continuing a Vision

Mission Statement:

To advocate for, educate and find solutions to equine issues across the Volunteer State

Dear Caring Friend:

Twenty years ago I had a vision. Through a strong dedication and faith in God I brought life to that vision by forming and nurturing Tennessee’s largest equine humane organization. The goal was to always put the horses first. Dedication to that type of a vision requires people with the same heart and mindset. Eventually over the years this mindset and vision became lost as more people were implementing their own vision. Knowing in my heart that the vision was still very much alive I began praying for direction. Fifteen months after being told there was no longer a place for me at the organization I founded, that direction has led to the startup of Hearts of Horse Haven, Inc.

Hearts of Horse Haven, Inc. was formed not to take the place of, but to enhance current services offered across the state. Our main objective is to make sure the hard work and dedicated efforts of those who gave so much is continued. We want to ensure the horses (*main focus*) and other animals within the Volunteer State continue to have a strong voice.

Our purpose is to:

- help define and provide solutions to problems that address animal welfare within the state
- assist legal council with case review and court preparation of animal cruelty cases
- offer assistance to equine owners in need
- provide solutions to equine owners going through unavoidable, emergency type situations
- assist county officials with the care of equine that come into their custody

I hope you are as excited as I am about the creation of Hearts of Horse Haven, Inc. and will support us as we forge ahead in the coming months. We can’t do it alone but with your help we can make it...

“All About The Horses!”
